Subject: Reply to Notice of Violation, Radioactive Materials License #369-01

This will acknowledge your letter dated January 7, 2005 in which you describe the actions taken to correct the Items of Noncompliance identified in a routine inspection conducted on November 15-19, 2004.

The actions as described when implemented and maintained appear adequate to correct the Items of Noncompliance. However, the adequacy will be determined in a future inspection.

Your response to the Items of Concern and the Recommendations appear adequate for your program.

If you have any questions concerning this letter, please contact Ed Stroud of this Division at (303) 692-3418.
